AAA Service Center is a general garage established in 1978, in Dubai, United Arab Emirates, at Al Quoz Industrial Area. Our business is registered with Dubai Economic Department as a proprietary concern owned by an UAE national/heirs.

Our aim is to cater to the concerns of all motorists (specializing in 4WD vehicles), look into the problems associated with their vehicles and resolve them with the professional expertise provided by our team of qualified management, supervisors and technicians. We believe in providing professional and honest solutions to our customers while offering the highest level and quality of automotive service at excellent value. Our advice to our customers is to do regular and timely servicing and carry out preventive maintenance of their vehicles as and when necessary to avoid major expenditure thus ensuring trouble free motoring and extended vehicle life.

Economical repairs and quick delivery of vehicle is our motto.

### OUR WORKSHOP UNDERTAKES THE FOLLOWING

- Full and minor services as per vehicle manufacturer's requirements.
- All types of repairs and maintenance on all types of vehicles; saloon and sport cars, 4x4 vehicles, trucks, buses, minibuses, van etc.
- Emirates wide breakdown/recovery and transportation service for heavy and light vehicles (including off-road and desert recovery).
- Vehicle air-conditioning repairs.
- Construction and preparation of all rally vehicles and hunting 4x4's.
- Body work repairs, specialized body fabrication.
- Trailer fabrication.
- Heavy truck wheel alignment, wheel balancing.
- Vehicle checks — prior to purchase or police test.
- Full paint shop facilities including temperature controlled paint booth.
- Vehicle collection and delivery.
- Repairs and maintenance of various types of small plant.
- Your vehicle records stored in our database, providing full vehicle service history at any time.

### 1. THE BEST 4X4 SERVICE X FAR

With four decades of experience serving our customers, we are an independent 4x4 service and repair garage, located in Dubai (UAE) and currently operating through Al Quoz. Though we particularly specialize in the servicing and repair of all Land Rover marque vehicles including Defender, Discovery, Freelander, and all Range Rover models, we also carry out required and customized repairs for all other 4X4 vehicles such as Toyota, Nissan, Mitsubishi, Jeep, Dodge, GMC, Ford, Mercedes, BMW, Volkswagen, Porsche, Audi etc.

All major and minor services are carried out according to manufacturer specification, requirements and standards. We constantly update ourselves with the latest technology available in terms of scanning/diagnostic equipment and machinery (Auto Logic Diagnostics and Programming for Land Rover Vehicles) required to trace the faults and do our best to repair them correctly, the very first time.

Our expert management team, supervisors and technicians have a combined work experience of more than 50 years in the automotive industry and this gives us the required confidence to help and assist you in whatever motoring concerns you may have with your vehicle. We provide various alternatives, options and solutions in order to meet your requirements and budget.

**Our range of 4x4 services are as follows (specializing in all Land Rover vehicles, but not limited to them):**

- Engine overhaul and retrofitting
- Diesel conversion to petrol
- Auto box conversions
- Manual gearbox overhauls
- Transfer box overhaul and upgrades
- Differential overhaul and upgrades
- Upgraded suspension
- Bespoke bumper fabrication and fitment
- Bespoke roof rack fabrication and fitment
- Roll cage fabrication and fitment
- Snorkel installation
- GPS installation
- Upgraded tyres and wheels Installation
- Upgraded lighting
- Dual battery system installation
- Spare wheel carriers and swing away
- Installation of various accessories

## 2. Recovery & Transportation Services

AAA SERVICE CENTER has been established in Dubai for more than four decades and we have a reputation as the foremost vehicle recovery and towing specialists in the UAE. Qualified and experienced staff can quickly and efficiently recover any vehicle from any location in the UAE, (subject to RTA road timing restrictions). We have line up of specialized trucks, trailers and equipment to cater to the towing and transportation service for cars, trucks, buses, forklifts, plant and equipment on or off-road.

### HOW LOW CAN YOU GET?

- At AAA SERVICE CENTER, we get as low as is possible!!!
- Our “Forklifts” can get in under 2 meters — for underground car parking recovery.
- Our “Tail-lift” tow trucks can also go into low underground car parks to recover vehicles.
- Our “Full-Down Slide backs” can lift and carry any ultra-low sport and racing cars.
- AND our range of “Low-Bed Ro-Ro Trailers” can carry any cargo which requires maximum clearance i.e. low bridges, overhead cables, low buildings etc. These trailers are the lowest in Dubai

**If any of these fit-in with your requirements, call us with your enquiry on 04-3470400/04-2858989 or Email us on [info@aaadubai.com](mailto:info@aaadubai.com)**

### NOTE

Labour rate is AED. 240/- per hour (normal hours).

Accident repairs are estimated and approved before commencement of work. Special import orders cannot be cancelled or returned and must be prepaid in full.

### MODE AND TERMS OF PAYMENT

We accept cash, all major debit cards and credit cards, offer secured credit card payment links.

Only corporate cheques are accepted.

Credit facility is available to corporate customers on mutually agreed terms, if approved by the management.

**Should you have any further queries on our services, feel free to contact our General Manager, Mr. Gordon Ferguson.**
